

Ensure your success at CXC Examinations

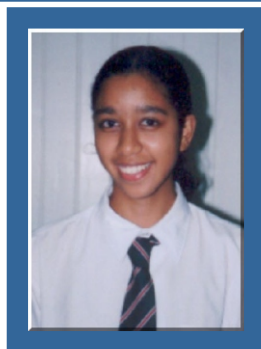

The Business School has been offering part-time, evening and weekend classes in CXC subjects for over 15 years. In the past, we specialized in CXC Business subjects. However, with the introduction of our Science lab, and the expansion of our Language department, we now offer quality tuition for subjects in the Business, Science and Arts stream.

Our CXC part-time classes are ideal for students sitting or re-sitting CXC and for employed persons wanting to upgrade their level of CXC certification.

Our success rate at these exams has been excellent.
